# Overall Curbside Regulation Proposal

1. No Stopping at intersections.
2. Install 2-Hour Parking Limit, Monday To Friday, 8 AM To 6 PM, Except Resident Stickers. This creates parking turnover, but exempts Allston-Brighton residents.
3. No Stopping during peak hours at intersection approaches (approx. 300+ feet).

Example

# Other Proposals

- Stripe for 2 lane North Harvard Street approach to Soldiers Field Road.
- Install crosswalk signs at mid-block crosswalks.
- Increase enforcement.
- Install bus shelters & ensure adequate bus stop length.
- Consolidate bus stops on Western Avenue by Charlesview apartments?
